

SM INFRA
Builders & Contractors

SM INFRA Construction Group of New Delhi, is quickly becoming one of the premier interior & civil contractors in the country. Founded by Lt. Sh. Parveen Makkar in 2010, the company has capitalized on Retail's need for a commercial contractor specializing in interior & civil construction.

Under the lites of brands like e Lifestyle, Shoppers Stop, Bakers Street, Subway, KFC, Pizza Hut, Costa coffee, Au Bon Pain, Nike, Apple and many more we have always been successful to deliver the project with the finest quality of work and in the given stipulated time.

With an annual turnover of over 15 crores we assist those who want to have guidance and council in developing a basic design concept of their project to the person that desires someone to take it from concept to complete implementation.

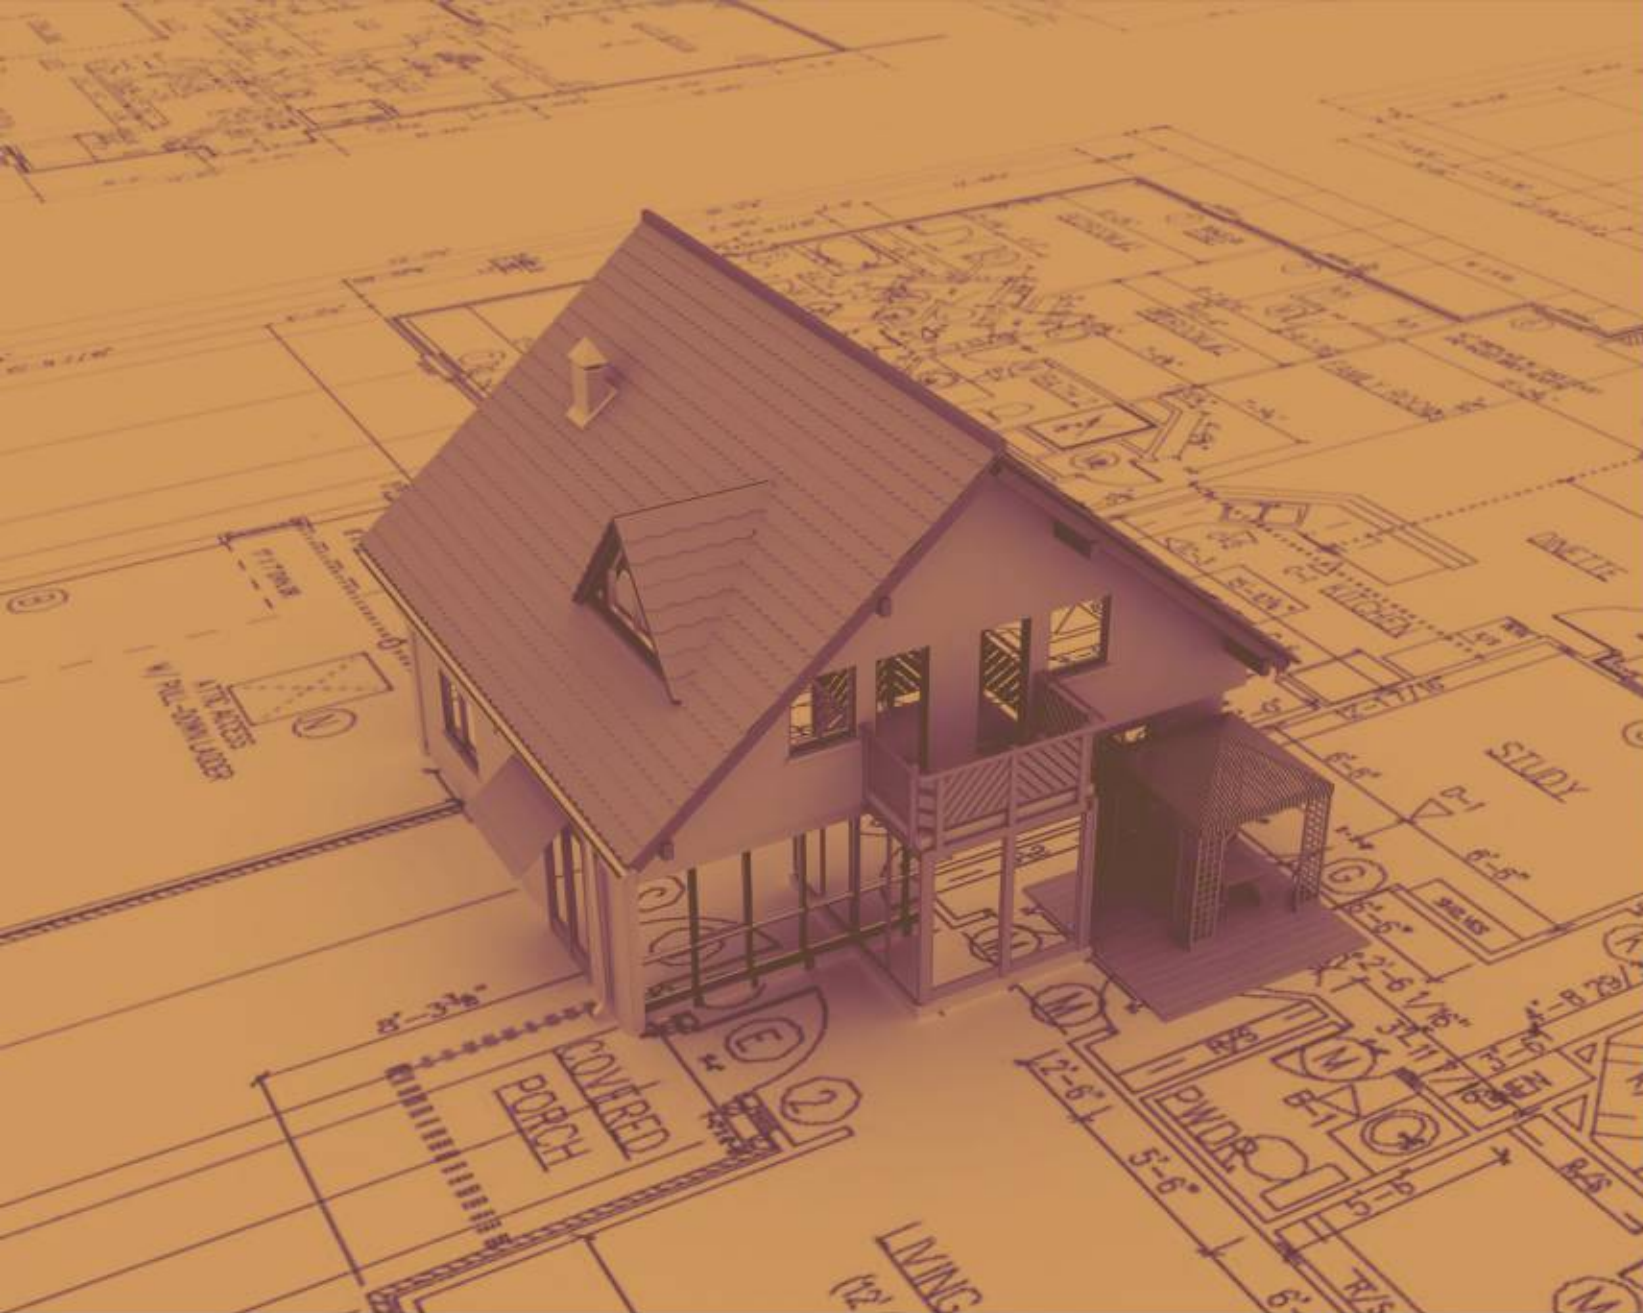

The foundation of **SM INFRA'S** success has been our valued partnerships with many of the leading retail and commercial clients across the nation.

Over the last few years, SM INFRA has greatly expanded beyond the Northern region. We have constructed projects throughout the country including Hyderabad, Bangalore, Mumbai, Bihar, Punjab, Himachal, Haryana, Uttar Pradesh and other eastern parts of India.

Now backed by the deep resources and financial strength of **SM INFRA** we have the capabilities to effectively service clients throughout the country.

OUR DOMAIN EXPERTISE:

- 🏠 Basic Layout: To decide and draft the basic layout for the hotel or restaurant.
- 🏠 Construction: including all civil, plumbing, electricals, interior and exterior designs.
- 🏠 Workplace design projects to implement business objectives
- 🏠 Strategies for workplace accommodation and flexible working conditions
- 🏠 Planning and designing
- 🏠 Corporate office refurbishment and relocation
- 🏠 Create high quality, effective working environments

INFRASTRUCTURE

We proudly boast of owning and using all modern and advanced methodologies and infrastructure to create interiors that are drop dead gorgeous and judicious. Our Design Studio is armed with the latest computers loaded with relevant designing software and the work environment within its premises is just correct for our designing geniuses to come up with ideas to enthrall. Hence our talented team gathers here to come up with contemporary blueprints and designs. These designs on execution give an unrivalled look to our clients corporate, hotel, restaurant or residential interior.

TEAM

Our team members are among the skilled handcrafts in the city succeeded by the best Interior Designers and Architects in Delhi, India. Keeping the sole objective of customer satisfaction in mind, our designing team members work in close conjunction with you, our esteemed client, to know your specific requirement, budget and time frame and hence tailor-make your designing solution. We have hence stood out in this field for our efficiency, reliable consultancy and sound business policies.

TESTIMONIALS

Good contractor, very adaptable to the needs of the project, be it time management or quality management.

Saurabh Dixit, Chief Project Officer, Marks and Spencers

Amazing company, very much ensures timely delivery of the project, which is very much required in our industry.

Lohar Sanyal, Ex Project Head, Au Bon Pain Café

Very flexible contractor and particular about time lines.

Omkar Khataavarkar, Shoppers Stop

Have an experienced team of project managers, ste in charge and working labor who ensures timely and quality delivery of project.

Karan Singh, Project Head, Chayoos

Very good contractor, flexible as per the requirements of the project.

Gaurav Chauhan, Head Projects, KFC

Had a good experience working with this company, yet there is a scope of improvement.

Virender Kumar

Professional people with professional work.

Anshul Garg, Head projects, North, Lifestyle

Amazing work, fast speed and target oriented, we hire him regularly

Raymond Andrews, CEO, Biryani Blues

Good construction company, Team is very much committed towards quality of work and timely execution.

Devika Gulati, Architect

Good contractor, have referred him to a lot of people and have never let me down.

Ravish Malhotra, Architect

Amazed with the quality and commitments towards the work, but should work a little more on better costing / rates.

Ritesh Jha, Architect

Nice blend of designing and execution, but is a little hesitant for quick changes which I later experienced that ultimately it was good for us only.

Rachit Devgun, Advocate

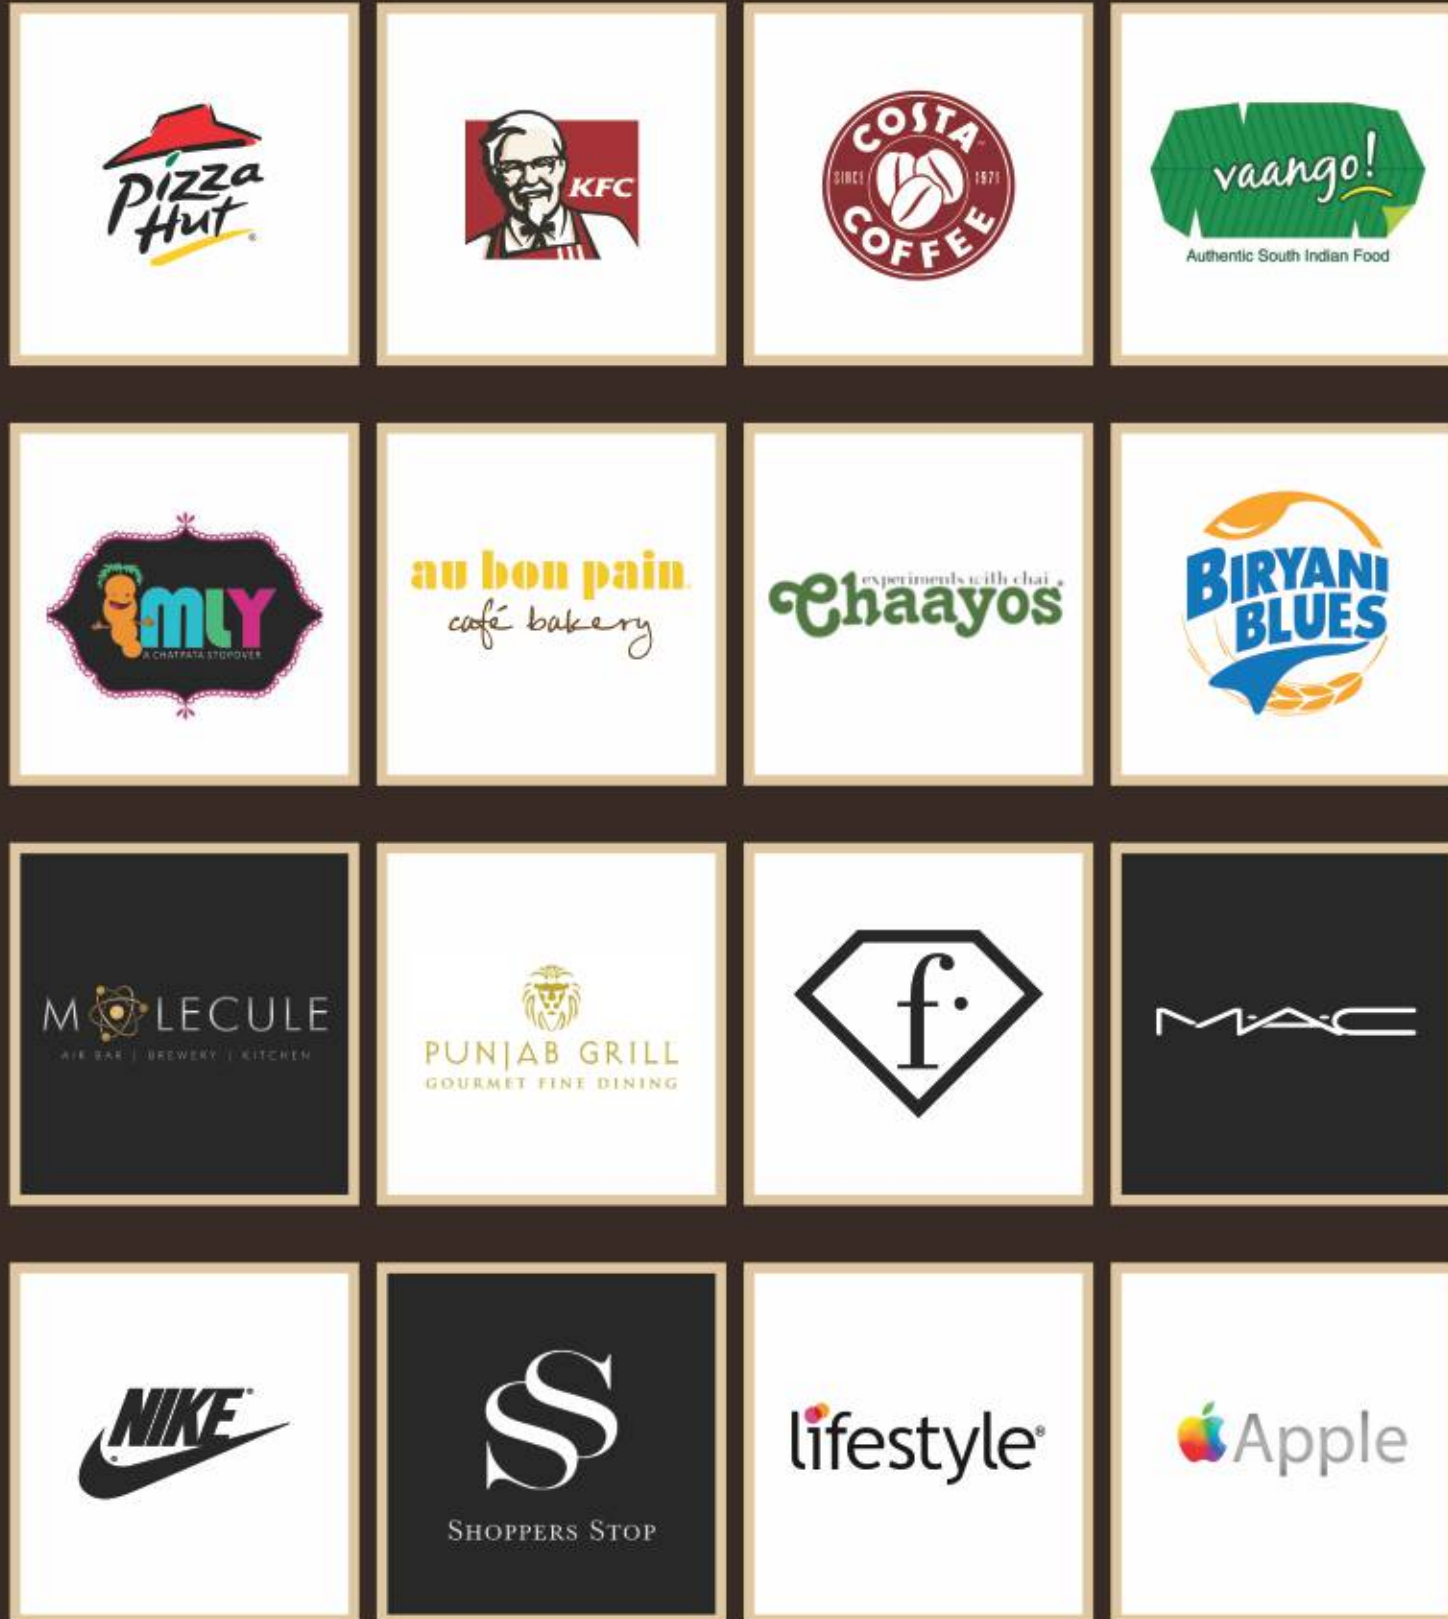

We hired them to construct our house, they did a good job. Satisfied

Yashpal Gugnani

Good Construction firm, have a good process of working.

Gautam Khandpur, CEO, Integral Computers
